We understand that as a private school, **Grace Academy** does not receive governmental financial help for operational expenses and that prompt payment of all expenses incurred for the education of our child/children will be considered as a sign of our concern for sound and responsible education practice.

We understand that should our child/children be withdrawn from **Grace Academy <u>NO</u>** money will be refunded. We understand that should unexpected events (such as earthquakes, floods, acts of war, or attempts to curtail religious freedoms by governmental agencies) cause the closing of our Christian school for any length of time, some money may be refunded. **Grace Academy** will cover curriculum costs and all other money will be refunded.

We further realize that all projects, test results (diagnostic, C.A.T., etc.) are the property of **Grace Academy** but are available for inspection upon request.

We understand that our financial responsibilities are as follows and agree to pay on this basis:

Upon turning in this application, the registration fee will accompany the application. The required tuition will be \$6,000.00 per year which includes tuition, art fee, and music fee. Upon receiving the tax credit check each semester, the parent will endorse the check to school and will cover tuition costs for students.

Accounts must be paid in full by the 20th day of each month. If your account has not been cleared by the 20th day of the current month, your child will not be permitted in class until your account is paid in full.

- 1. A single parent, grandparent, or a foster parent must provide written documentation of the legal custody of the child /children enrolled, i.e., a court decree or private settlement agreement.
- 2. Only the person who has legal custody of the child/children has the authority to make decisions regarding the child's/children's education.
- 3. If divorced parents share legal custody of a child/children and provide proof with written documentation provided to the school, both parents must agree on decisions relating to matters of education and medical care.
- 4. Without legal custody, grandparents and foster parents need approval from the child's/children's parents regarding educational decisions.
- 5. Legal custody of child/children must be established before enrollment is completed.

Legal custodians are required to adhere to the following:

- A. All legal custodians must sign the school enrollment contract.
- B. Foster parents must provide the school with legal papers that show they have legal custody and authority to make educational decisions for students enrolled.
- C. If a foster parent does not have sole legal custody, signed authorizations from both noncustodial parents and from the foster parents must be provided for children who are enrolled.
- D. If a grandparent does not have legal custody, the school enrollment contract must be signed by both the parents and the grandparents.
- E. Enrollment will not be complete until permission to enroll the child/children is given, in writing, by the parent named in the official custody papers as having authority to make decisions regarding the child's/children's education.
- F. Any restrictions in the official custody papers, not in keeping with official school policy, will negate enrollment. Such restrictions may include: (1) after school pickup; (2) free exercise of religious instruction; and (3) standard of conduct.
- G. Written directions as detailed in the official custody papers will be followed relative to: (1) Calls in the event of an emergency, if the child fails to attend school, or if there is a discipline problem; (2) receiving school notices; and (3) access to the student's records.
- H. If a noncustodial parent is unavailable or the whereabouts are unknown, the person with legal custody must provide a signed affidavit disclosing such details and give information about plans to sever the absent parent's right to legal custody.

We the undersigned parents or guardians' of _______ do hereby request enrollment in **Grace Academy** for our child. We know the Bible places primary responsibility for education on the home, especially the father, and we request this school to assist us in meeting this responsibility. It is our conviction that our child must have an academic education based on the Word of God and its teachings. We hereby certify that we request this school to operate on our behalf with the following understanding.

- 1. I understand that it is an effort of this school to meet the needs of the families of the church and the community to train up our children in the way that God would have them to go, and the Bible teachings will be reflected in all the affairs and teachings of this school.
- 2. I understand that we expect the school to exercise consistent Biblical discipline and that we will honor their judgment about the necessity of such discipline should it be recommended.
- 3. I realize that from time-to-time children take issue with actions with which they do not agree, and they are prone to criticize statements out of context. This being normal for children, I pledge that should such occur, I will not support the criticism: that I will correct my child, support the school personnel, and call for full details at any time I have a question about any incident.
- 4. I understand that my children will be diagnostically tested and assigned curriculum at their academic level of achievement, and not necessarily at their chronological age. Children must have turned 5 by Jan. 1st to enter kindergarten with at least 1 year preschool, be potty trained, and will be under a probationary period to ensure they are on level and able to complete assigned work.
- 5. I further realize that building strong relations with my child's teacher to aid in the training of my child is as much my responsibility as it is the schools. I will pray for the staff and the program, cooperate with them in discipline, accept their judgment in all such matters, lay a spiritual foundation through Godly example in the home, support spiritual training of chapels, revivals, etc., follow through with any work assignments or slips that need to be signed, see that my child reaches school on time, cooperate in training my child to respect school property and pay for irregular abuse of the same, attend all parent functions, and assist in promoting the school.
- 6. Parents or students who are not in harmony with the school standards or programs will be asked to submit to the program; if they will not, the parents will be asked to withdraw their child.
- 7. I realize that attending **Grace Academy** is a privilege and not a right. It is my intention to abide by the decisions and support the discipline of the administration.

I have read the information materials furnished and agree to insist that my child submit to the program's academic and disciplinary regulations and all other requirements instituted by the administration and carried out by the faculty.

Student Attendance Release

I am aware of the school attendance policy found in the school handbook on page 29:

ABSENSES

If a student stays home from school for any reason, the parent is requested to phone the school office by 9:00 a.m. on the day of the absence and relate the reason for the absence. Students who have been absent must present a signed and dated note from their parents the day they return to class, or the absence will be considered unexcused. Absences are excused in case of illness, death in the family, and emergency situations. Absences for trips or medical appointments will be excused if prearranged with the administration. If an extended absence is anticipated, the student may be assigned work to maintain his academic progress.

TARDINESS

Students are expected to arrive on time each morning and for each class period. Students will be considered tardy unless a legitimate written excuse from an authorized individual is submitted to the teacher upon the student's arrival. (A legitimate excuse is one that entails an emergency or an unforeseeable circumstance,. Running out of gas, failure to set an alarm clock, etc., are not considered legitimate excuses.) Any three unexcused tardies will be considered an unauthorized absence.

I understand that excessive absences (excused or unexcused) are hindrances to learning, a class disruption and ultimately a bad reflection on the school.

I also understand that this may have a negative effect on the progress of my child, and I, as the parent or guardian, take full responsibility.

I hereby, release the school from any responsibility and/or liability due to excessive absenteeism and/or tardiness.
